

## Sustainable Gardening Course Kilkenny

As part of our plan to make Kilkenny an even more sustainable and wonderful place to live we are offering a FREE Sustainable Gardening Course online. This is run by Horticulturist Aoife Munn and has received great response from past participants and the media. It is a 5-week course on Saturday Mornings from 10am to 11am for 5 weeks.

This course will be especially beneficial to Tidy Town groups who would like to strengthen the Sustainability “Doing Less with More” competition category as well as the Nature and Biodiversity in your Local Area category. Topics covered include:

Reducing your waste, growing your own veg, Planting for pollinators, Alternative to Chemicals and much, much more.

This popular course has been attended by some community members before and comes highly recommend.

Course Dates are 10am each week on  
Saturday 6<sup>th</sup> of March  
Saturday 13<sup>th</sup> of March  
Saturday 20<sup>th</sup> of March  
Saturday 27<sup>th</sup> of March and  
Saturday 3<sup>rd</sup> of April

To secure your Free place please click the link below and register. Please note you will not receive a place offering if you are living outside Kilkenny area or are not part of a Tidy Towns Group. This course is funded jointly by the Heritage Office and Environmental Awareness Office of Kilkenny County Council and supports the All-Ireland Pollinator Plan.
