

Vernacular

Forged Wrought Iron Gates

of

Kilkenny

Vernacular forged wrought iron gates are both a beautiful and functional part of our farming and landscape heritage. They are evidence of past traditions and skilled craftspeople.

The Kilkenny Forged Wrought Iron Gates Project aims to record and raise awareness about this important heritage resource.

See www.kilkennycoco.ie/eng/Services/Heritage/

THIS PROJECT IS AN ACTION OF THE KILKENNY HERITAGE PLAN.
